MEMORANDUM FOR: Mr. John Warner
Legislative Counsel

At DCI's request on 4 October, [redacted] tried to get the transcript of McNamara's appearance before the Senate Armed Forces Committee last week. The Committee said that they would permit DCI to read the transcript but that this would have to be done in the Committee offices.

STAT

DCI wants arrangements made so that he can review this transcript, even if it means his going to the Hill personally to read it.

1. [REDACTED] At the request of Mr. Enright of the Director's Staff, I called Mr. Harry Wingate, Clerk, Senate Armed Services Committee and requested for Mr. McCone's use a copy of the transcript of Mr. McNamara's testimony of 3 October on Viet Nam. Mr. Wingate called back and advised that he had checked this with the Chairman and that Senator Russell indicated that it was committee policy not to release a transcript to other than the witness involved in the hearing, but that since it was Mr. McCone, if he desired to come to the committee room a copy would be made available to him. Committee staff will be on duty from 10 a.m. until 1 p.m. on Saturday if that time would be satisfactory to the Director. I advised that the Director's schedule was such that I did not believe that he would be able to come to the committee room on Saturday.
